## Buy American Act (BAA) Compliance Certification

**Issued By:** DENT Instruments, Inc.

**Date:** February 24, 2025

DENT Instruments certifies that the following products comply with the requirements of the **Buy American Act (BAA)**:

### BAA-Compliant Products:

- |                            |  |
|----------------------------|--|
| 1. <b>PowerScout 3 HD</b>  | <b>TBWC</b> DI-SA Single Element Series Meters |
| 2. <b>PowerScout 12 HD</b> | " DI-MMU4 Multi-circuit Meter Units            |
| 3. <b>PowerScout 24 HD</b> | " DI-MMU8 Multi-circuit Meter Units            |
| 4. <b>PowerScout 48 HD</b> | " DI-MMU16 Multi-circuit Meter Units           |
| (Multiples of above)       | " DI-MMU20 to 64 Multi-circuit Meters          |

### Compliance Basis:

These products undergo all final assembly in the United States. Subassemblies are either wholly manufactured in the U.S. or have undergone substantial transformation at our facilities in Bend, OR. Each product meets or exceeds the domestic content percentage required under the Buy American Act.

Should there be any changes affecting the compliance status of these products, DENT Instruments will promptly notify all relevant parties.

**Sincerely,**

**Jonas Greberg**

CEO DENT INSTRUMENTS
